### ThirdPage.html

### First Class Customers

- Private suites with lie-flat beds, providing complete privacy and a luxurious sleeping experience with soft bedding and personal storage compartments.
- Gourmet meals curated by world-renowned chefs, including a wide variety of appetizers, main courses, desserts, and a premium wine selection.
- Priority check-in and boarding services at exclusive counters to minimize wait times and maximize convenience.
- Luxury airport lounge access with amenities such as spa treatments, private meeting rooms, à la carte dining, and personal assistants.
- Onboard shower and spa facilities on selected long-haul flights, allowing travelers to freshen up mid-journey.
- High-definition entertainment systems with noise-canceling headphones, live TV, and hundreds of movies and music playlists.
- Exclusive amenity kits featuring high-end skincare products, silk eye masks, designer pajamas, and luxury toiletries.

[Go to options](#)

### Business Class Customers

- Spacious seating that transforms into a fully flat bed, with privacy dividers and direct aisle access for most seats.
- Multi-course gourmet meals served on fine china, with an extensive selection of beverages including international wines and cocktails.
- Priority boarding and baggage handling services to save time and avoid queues.
- Access to business class lounges equipped with Wi-Fi, workstations, showers, and complimentary snacks and beverages.
- Complimentary amenity kits with essential travel items including eye masks, socks, lip balm, and lotions.
- Wide touchscreen entertainment systems with access to the latest movies, games, TV shows, and news channels.
- Power outlets and USB ports at every seat to keep devices fully charged during the flight.

[Go to options](#)

### Premium Economy Customers

- Extra legroom and wider seats compared to economy class, with enhanced recline for a more comfortable experience.
- Upgraded meal service with improved dining options and a welcome drink upon boarding.
- Separate check-in counters and priority boarding ahead of economy class passengers.
- Increased baggage allowance for both carry-on and checked baggage, offering greater travel flexibility.
- Personal seatback screens with a wide selection of entertainment options including music, movies, and games.
- Adjustable headrests, footrests, and additional cushioning for added comfort on long-haul journeys.
- Complimentary amenity kits with travel essentials like toothbrush, earplugs, eye masks, and socks.

[Go to options](#)

### Economy Class Customers

- Standard reclining seats with adjustable headrests and tray tables for meals, work, or entertainment.
- Complimentary meals and snacks provided during the flight, with special dietary options available upon request.
- In-flight entertainment on personal screens offering movies, music, and TV shows.
- Access to onboard shopping with a selection of items like perfumes, snacks, and souvenirs.
- Comfortable pricing for budget-conscious travelers while still providing essential services and safety features.
- Dedicated cabin crew throughout the journey to ensure a safe and comfortable experience.
