You are required to design a website for 'PET CARE' veterinary clinic in Sri Lanka. Images and screenshots are uploaded to eKel.

- Header, Navigation bar and Footer has to be displayed as given in the figures on each and every page.

- Once the user clicks the links, the relevant page will be loaded on top of the same page. The new page should not be loaded in a new tab.

- Use the "div" tags to arrange the divisions of these pages.

- Home page should be designed as shown in the below figure.

Navigation Bar:

- There are four items on the navigation bar (Horizontal).

  1. HOME
  2. ABOUT
  3. REVIEWS
  4. CONTACT

- The background color should be changed when hover the mouse over the list items in the navigation bar.

Footer:

Section 01 : Have A Question

- Use a red border around the picture "Pet Care".

- Include the following paragraph under the picture.

  "Pets are humanizing. They remind us we have an obligation and responsibility to preserve and nurture and care for all life"

    - First letter "P" is bold.
    - Use the required font style.

Section 02 : Have A Question

- Use relevant links when clicking over the list items in the footer.
 Home, Review Us, About Us, Contact Us

Section 03 : Information

- You should add the image sprite concept to the information icons.

Section 04 : Visit Us

- You should add the google map of the kelaniya.

Home.html

- When the user clicks on the "GET STARTED" on the Home page, the ABOUT page should be loaded. It should be designed as shown in the below figure.
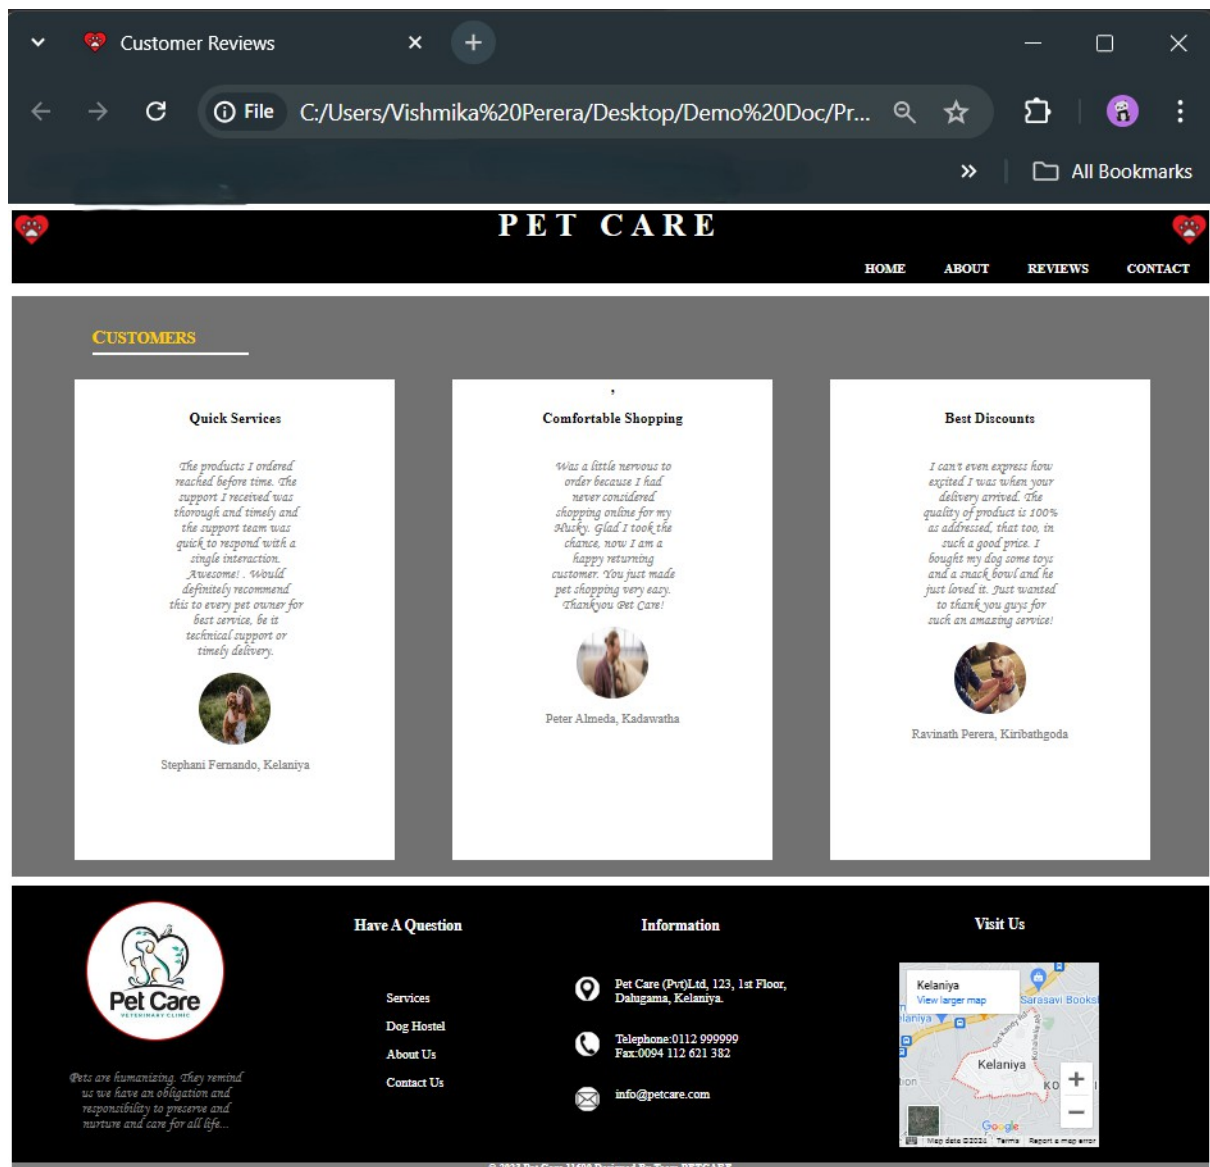

About.html

- When the user clicks on the "ABOUT", below page should be loaded.
- "WORK", "REVIEW", "CONTACT" buttons should be loaded HOME, REVIEW, and CONTACT pages respectively.
- When the mouse moves on the above buttons, the border of the buttons should be change to green color and the cursor type should be "help".
- You should add the image sprite concept to the social media icons. When the mouse moves on the icons, it should be changed as follows.

Reviews.html

- When the user clicks on the "REVIEWS", the below page should be loaded.

Paragraphs:

- Quick Service

  The products I ordered reached before time. The support I received was thorough and timely and the support team was quick to respond with a single interaction. Awesome! Would definitely recommend this to every pet owner for best service, be it technical support or timely delivery. **Stephani Fernando, Kelaniya**

- Comfortable Shopping

Was a little nervous to order because I had never considered shopping online for my Husky. Glad I took the chance, now I am a happy returning customer. You just made pet shopping very easy. Thankyou Pet Care! **Peter Almeda, Kadawatha**

- Best Discounts

 I can't even express how excited I was when your delivery arrived. The quality of product is 100% as addressed, that too, in such a good price. I bought my dog some toys and a snack bowl and he just loved it. Just wanted to thank you guys for such an amazing service! **Ravinath Perera, Kiribathgoda**

Contact.html

- The Name, Subject, Phone and Email fields are required fields.
- When the user focuses on a particular text field, it should be changed to the below color.
